

Thank you for considering *the red grape* for your large party needs. Whether you are tucked away in our cozy wine room alcove or situated on our beautiful garden patio, our staff will make sure that your experience is an enjoyable one.

We require that all groups over 15 pre-order their meal at least 48 hours prior to the event so that our chef can assure a smooth pace of service during your visit.

You may choose one of the sample "PARTY MENUS" that follow or our event manager can assist you with streamlining your own menu. Chef Delfino is happy to work with any dietary needs.

Thank you,

**The Red Grape Team**
