The Story

As the legend has been told, the friendship between Daryn, Jason and Tony had begun after being drafted to play professional football. The three guys soon realized they shared the same passion for premium wine as they did blocking for the quarterback. Through their many football games, world travels, and tall tales together, “Three Fat Guys” wine was born with a quest to carry on everlasting memories of goodtimes, humbling experiences and astounding victories.

“Enjoy our wine. Embrace your past, Create an unforgettable future.
Cheers.”
